

# Suvudu Transhuman Futures Inc. Service Agreement

This is a binding legal agreement between Suvudu Transhuman Futures Inc. (hereinafter "Suvudu," "we," "us," or "our") and the individual signing below (hereinafter "Client," "you," or "your"). By signing, you agree to these terms for selected transhuman services, including the **Eternal Horizon Program™**, **Singularity Upload™**, and/or **Transhuman Enhancement Suites**.

## 1. Services Overview

Suvudu provides experimental transhuman services aimed at life extension, consciousness transfer, and human enhancement. These include:

- **Eternal Horizon Program™** — Rejuvenation therapies targeting biological age reversal and guaranteed vitality to age 150.
- **Singularity Upload™** — Non-destructive neural scanning and consciousness reconstruction in digital substrates.
- **Transhuman Enhancement Suites** — Cybernetic implants, neural interfaces, and organ augmentations.

Services are subscription-based with tiered access. All procedures are minimally invasive where possible, personalized via AI assessment, and subject to ongoing optimization.

## 2. Client Eligibility and Obligations

- You must pass a comprehensive bio-psych evaluation.
- You agree to full disclosure of medical history and compliance with pre- and post-procedure protocols (e.g., lifestyle monitoring, quarterly sessions).
- Non-compliance may void guarantees or terminate services.
- You authorize implantable monitors for real-time health data collection.

## 3. Guarantees and Limitations

- **Eternal Horizon** → Guaranteed optimal health to age 150 or complimentary cryogenic fallback (excludes acts of God, war, or non-compliance).
- **Singularity Upload** → Fidelity of consciousness reconstruction; no guarantee of subjective continuity if destructive methods are required in emergencies.
- **Enhancements** → Performance as simulated; no warranty against hacking or unforeseen biological rejection.
- Services are experimental. Outcomes may vary. No guarantee against existential risks, technological failure, or regulatory changes.

#### 4. Payment and Funding

- Subscription fees (details at [suvudu.com/pricing](https://suvudu.com/pricing)) are recurring.
- Funding often via life insurance naming Suvudu as beneficiary or direct payment.
- Late payments may suspend services or void agreements.

#### 5. Risks and Informed Consent

You acknowledge:

- Procedures involve risks including tissue rejection, neural anomalies, identity discontinuity, or unintended psychological effects.
- Mind uploading may create copies; original continuity not guaranteed.
- Enhancements may alter personality or create dependencies.
- You waive claims for outcomes differing from speculative fiction ideals.

#### 6. Confidentiality and Data

- We protect your genetic, neural, and consciousness data with quantum encryption.
- You grant perpetual license for anonymized research use.
- Digital instances remain our property in perpetuity.

#### 7. Termination and Post-Service

- You may terminate with notice; no refunds for completed procedures.
- Upon legal death or upload, rights transfer to digital instance or heirs per your designation.
- We reserve right to suspend for ethical violations.

## 8. Governing Law and Disputes

Governed by laws of [Jurisdiction, e.g., Delaware]. Disputes resolved via binding arbitration.  
No class actions.

## 9. Entire Agreement

This supersedes prior discussions. Amendments in writing only.
